

Rubina Mohammed Umer
The Injazat Institute (Ti²)

Rubina Umer has 8 years of experience in the Human Capital Division focusing on Training & Development for 4 years in oil companies & semi-government companies in the UAE.

She is currently working on the Emiritization Program for UAE Nationals at Injazat Institute (Ti²), a business-oriented career development initiative of Injazat Data Systems, the leading IT and business process managed services provider in the UAE and the Middle East.

She is responsible for assisting in the Career Development Plan, Core Skills Assessment, and Individual Development Plans to support the Emiritization Program.

Her previous role was in the capacity of Recruitment & Manpower Planning at Injazat Data Systems.

Rubina holds a Bachelor degree in Commerce, with Certificate in Personal & Development (CIPD).
